1. ANNOUNCEMENT

- 1.1.** Motorcycling Australia (MA) and selected affiliated motorcycle clubs and/or promoters hereafter called the Promoter will conduct the 2025 Australian Enduro Championship for solo Enduro motorcycles in the Championship: E1, E2, E3, EJ, EV, EM, EW, JG J2, J3 and J4 classes.
- 1.2.** The Enduro Legends, Enduro Women's Development, Sportsman Cup, J1 Cup and JJ Cup will also run as support classes at all rounds.

2. JURISDICTION

- 2.1.** The above-mentioned meetings have been authorised by MA which has issued MA Permit Numbers as displayed on page 2 of these Supplementary Regulations and are open to holders of current MA National Competition Licences issued by Motorcycling Australia. If International competitors wishes to enter, all international competitors must hold an FIM licence issued by their respective FMN, in addition to a Start Permission to compete which certifies that they hold current insurance to FIM standard.
- 2.2.** The meetings will be held in accordance with the General Competition Rules (GCRs) contained in the current Manual of Motorcycle Sport (MoMS), these Supplementary Regulations and any final instructions approved by Motorcycling Australia. By entering this meeting all parties agree to comply with these rules, regulations, by-laws, and instructions.

3. ENTRIES

- 3.1.** Entries will be open 4 weeks prior to the event and close Sunday, midnight prior to each round.
- 3.2.** In the case of postponement or abandonment of the meeting, all or any of the entry fees may be retained by the host club, if such retention is approved by MA.
- 3.3.** Only entries received via Ridernet online entry system will be accepted by the closing date.
- 3.4.** For the withdrawal of an entry to be valid it must be made in writing at least 10 working days prior to the first day of the round in question. A withdrawal under this criteria will receive a refund. A \$30 of this refund will be withheld for administrative costs.
- 3.5.** If you are withdrawing within 10 working days of the first round, this needs to be completed in writing and accompanied by a medical certificate. A refund will be granted once this is received. \$20 of this refund will be withheld for administrative costs.
- 3.6.** If no medical certificate is provided and the withdrawal is within 10 working days of the round, any refund is at the sole discretion of the promoter.
- 3.7.** A rider may enter their home-state State Championship event and still be eligible to be classified in the corresponding Australian Enduro Championship class. For the purpose of clarity, the "home-state" will be defined as the state of issue of their licence which is hosting a round of the Australian Enduro

Championship. Non-home state riders must enter via the Australian Enduro Championship.

4. INSURANCE

- 4.1.** MA National Personal Accident Scheme provides basic cover for death and permanent disability.
- 4.2.** Ambulance insurance is compulsory for licences.
- 4.3.** It is strongly recommended that competitors give consideration to taking out weekly benefits insurance.

5. MEDICAL SERVICES

A Doctor and Paramedics will be onsite as appointed by MA and will be in attendance from the start of each meeting to the conclusion of each meeting.

MEDICAL INSPECTIONS / MA CONCUSSION GUIDELINES

All competitors are subject to adhere to the MA Concussion Guidelines which applies at all Australian Enduro rounds. More details can be found at <https://www.ma.org.au/medical-concussion/>

Any rider may be requested to undergo a Medical Inspection at any time by the request of Aus Enduro Clerk of Course or Medical Personnel. Failure to comply will result in the suspension of the MA license of the rider, and other penalties may be applied by the Clerk of Course or MA Steward.

12.4. SOUND

- 12.4.1. Sound testing may take place at any time at the discretion of the Clerk of Course or Steward.
- 12.4.2. Sound testing for 2025 will be carried out using the 2-metre max. method where the accepted level is 112dB/A (with a 2dB/A tolerance during/post-race). Details of this testing procedure are outlined in the 2025 GCRs.
- 12.4.3. There will be zero tolerance of noisy machines as noise is the biggest problem facing the future of our sport. Penalties will apply for noisy machines.

13. RIDING NUMBERS

- 13.1.** Top 5 from E1, E2, E3, EJ and EW class from 2024 may use their finishing position for riding numbers, if competing in the same class for the 2025 Championship.
- 13.2.** All other riders will be required to use their National number for the Australian Enduro Championship in 2025. A rider should have competed in Six (6) rounds in the previous year Championship to reserve their number in 2025. A list can be found on the series website, or apply to register their number.
- 13.3.** Any rider that does not have a number allocated to them in the 2025 Rider Number Allocation document or would like to change the number that is currently allocated to them, must complete and return the rider number allocation. Most up to date Lists and Forms can be found at the Competitor Info website.
- 13.4.** National numbers are required to include an 'A' at the end of the nominated number.
- 13.5.** You may run your state number if you are racing in conjunction with a State round that is part of the same event. In which case your number is required to have a state letter at the end of your state number.
- 13.6.** All number boards on all machines MUST comply with GCRs and must not contain any decals or advertising other than the required decal.
- 13.7.** Number boards MUST include the Aus Enduro plate graphic that can be found at series website.

14. START ORDER / GRID POSITION

Sprint Format	Positions for the first heat will be based on the rider's overall National Championship standings and not by class. Riders who have not competed at previous National Championships will be seeded as best as we can (based on state rounds results) for safety. Start positions for the other heats will be determined by previous overall results at the discretion of the Clerk of Course.
Cross Country	Mass starts as per GCRs. Grids and start order to be determined according to the current overall championship standings and not by class. The Clerk of Course reserves the right to re-seed riders into the start order for the purpose of safety before and during the event.
Enduro Format	Positions for the start order will be based on the rider's overall National Championship standings and not by class. Riders who have not competed at previous National Championships will be seeded as best as we can (based on state rounds results) for safety.

15. RIDERS BRIEFING

15.1. A riders briefing will be held prior to the commencement of racing, which ALL competitors and a parent/guardian, if rider is less than 18 years of age **MUST ATTEND.**

15.2. At riders' briefing there will be a random roll call, any rider not present will be fined \$100.

15.3. If competitors are not satisfied with the course after the sighting lap or walking (depending on the format) they have the right to contact the Clerk of Course to highlight their concern.

16. SIGN ON:

16.1. At each round all riders will be required to sign on with their current National MA competition Licence.

16.2. Junior riders will no longer require their logbook for sign on.

17. ANTI - DOPING POLICY

All competitors, crew, parents / guardians, and officials are advised that drug testing may take place in accordance with MA's Anti-Doping Policy, under the authority of Sport Integrity Australia.

Athletes are advised to download the Sports Integrity Australia app. If athletes have any doubts over Sports Integrity Australia requirements, they should visit the website www.sportintegrity.gov.au. It is recommended athletes contact the Drugs in Sport Hotline (1300 027 232) for further information. When drug testing takes place, the payment of prize money may be delayed, at the discretion of MA, until the results of the tests are known.

The Anti-Doping policy is available on the series website under the Competitor Information page.

18. ALCOHOL TESTING PROCEDURE

All competitors and officials are advised that random breath-testing may take place during the competition.

For the purposes of drug and alcohol testing and in line with the Sport Integrity Australia guidelines the 'in-competition' period of the meeting will be deemed to be 11:59 pm the night before an athlete is scheduled to compete and finishes at the end of the sample collection period for that competition, with the completion of the meeting for the participant being when the participant has vacated the venue.

19. SMOKING

Smoking is strictly prohibited in areas where refuelling is permitted. Riders are liable for exclusion from an event for failing to adhere to and are responsible for the actions of their mechanics and support team members.

20. CODES OF BEHAVIOUR

All competitors, officials, mechanics and parents are reminded of MA's Code of Behaviour contained within MA's Member Protection Policy, found at www.ma.org.au which is a guide to appropriate behaviour at all Motorcycle race meetings.

This Code of behaviour applies to all meetings and will be enforced.

21. EVENT SCHEDULE

Please see Final Instructions for event schedule on the Series website.

22. COURSE DESCRIPTION

22.1. The track will vary for each round. Courses may comprise of part natural grass track or similar, part of the surrounding bushland and may contain manmade obstacles.

22.2. Each course has been marked with their distinctive arrows & bunting.

22.3. Two arrows adjacent on the course are GATE course markers, i.e. Riders MUST ALWAYS pass between these arrows. Any slashed area IS the course, riders must not leave the slashed areas.

22.4. We will be maintaining the course markings throughout the event, regardless of this, any deviation from the intended course is a breach of these instructions. Riders MUST stay on the "intent" of the course. No deviation will be accepted. Any competitor found to have deviated from the intent of the course may be penalized as penalties in the MoMS or listed in section 30.

Course Assessor: This role works in an advisory role to the Clerk of the Course and Steward. The course assessor is the riders' representative and will assess the course to it's suitability and the integrity of the course is maintained for the duration of the event.

22.5. Track Dissatisfaction: Competitors who are not satisfied with any aspects of the track can present these concerns to the Clerk of Course. If those concerns cannot be resolved, the competitor will be invited to withdraw from the event.

22.6. Walking Courses/Tests: The track may be available for walking as specified in relevant round final instructions.

23.STARTS

Start for the Sprint Format and Enduro Special Tests - will be by Light Start or similar (e.g. an analogue clock with a sweep second hand).

The Start Marshal may start the time of any rider who does not start within allocated time.

The start for the Cross-Country Format - competitors will be deemed to be under the order of the starter once the starter has called the class/grid to the start line.

24.RACING

Riders will be escorted on one sighting lap except for Enduro's and Cross-Country races. No riding other than on the course during the event is permitted.

Racing Format - see format details.

25.INJURED RIDERS

If you have stopped and rendered assistance to a fallen rider, you may apply in writing within 30 minutes of the end of the race in which the incident occurred (Forms are available from Timing and or Event Secretary), to be compensated for time lost.

The Clerk of Course shall give proper consideration to the validity of such application and may, if satisfied that the applicant did stop and render assistance, award the applicant and any other rider whom the Clerk of Course is satisfied also stopped and rendered assistance, a time that is commensurate with the position the applicant was in when they stopped to assist the fallen rider, with reference to the times set by other riders that the applicant was directly competing against.

26.PRESENTATION

Presentation for each round will take place at the conclusion of each weekend at the Presentation area. Riders who finish on the podium must attend the presentation. Podium presentations will begin at approx. 3pm, we advise that all competitors should be able to leave the venue at no later than 4pm if on the podium.

- Riders who finish on the podium at each round must attend the presentation, and any interviews or media commitments as necessary.
- Minimum dress standards are applicable for Televised Podiums and are as follows:
 - a) Riders are required to wear their race jersey, pants, boots and cap to podium presentations.
 - b) Googles are optional, to be worn around the neck only.
- Rider may bring a sponsor water bottle if they choose.
- Helmets are not required.

Failure to attend or adhere to the minimum dress requirements may incur a fine of up to \$250.00 and possible suspension of racing license until such time the fine is paid. An official complaint will be registered with the relevant Team Manager/Major Sponsor in this instance.

Overall championship awards and MA medallions will be presented at the conclusion of Round 12.

27. FACILITIES

Full canteen facilities may be operating on each round on Saturday and Sunday. (refer to Final Instructions).

Toilet facilities will be at each venue and camping is permitted at some venues.

Please check the series website for more information before each round.

Where camping is available at some venues, see Final Instructions for relevant fees.

- All riders must refuel in the Refuelling/Service Area. Riders must be off the bike, engine stopped. (As per GCRs).
- Rider Conduct - Unsportsmanlike conduct may result in a penalty, including disqualification. A rider may question the results within the 30-minute period following posting of the final results. After 30 minutes, the awards will be presented.
- All riders must have a minimum 2kg, dry powder A:B (E) class, working fire extinguisher in their pit and/or refuelling area, visible to the rider/mechanic at all times.
- All injuries must be reported to the Clerk of Course.
- If washing of machines at each round is allowed, you will be advised in the Final Instructions, and you must use your own pressure washers and water. Washing of machines will not be permitted outside the designated area (if there is one).
- Riders entering the Race line from the pit area must give way to riders on the Race line.
- Please advise the Clerk of Course or Race Secretary as soon as possible if you are not going to finish racing for the day.

- Please keep pit area tidy at all times by placing rubbish in bins provided or by taking it with you.
- *Selling*: Any person who wishes to sell accessories or merchandise must contact the organising club. Fees may apply.
- *Rider Promotions*: MA reserves the right to use any pictures, film footage and names of any competitor or team for any advertising purpose. No competitors or team shall be entitled to make financial claims on any of the above.
- *Team dress*: competitors and assistants are encouraged to adhere to the following dress standards during the meeting and presentations: Team shirt/team identification, dress shorts/trousers, and closed protective footwear is a requirement.
- *Additional team/rider exposure*: MA reserves the right to prevent any team or rider displaying sponsorship signage or advertising material that deems to be in conflict with any contracts held.
- Results and series points: Results of each round and series points (including Pro Enduro overall results) will be updated on the series website after each round.

29. PENALTIES

In addition to penalties listed in the [Officials Powers and Authorities Document](#) and elsewhere in these Supplementary Regulations or Final Instructions.

Any competitor reported for cutting the course will be investigated by the Clerk of Course. A time penalty of 30 seconds or up to 5 minutes for that heat, special test and or event will be applied.

30. ENVIRONMENT

- 30.1.** It is the responsibility of each rider to ensure they; their service crews and mechanics are familiar with and adhere to the regulations.
- 30.2.** Each machine will require one (1) environment mat.
- 30.3.** All service crews, mechanics, and riders will be required to use an environment mat when replenishing all fuels, oils, and chemicals in order to stop ground contamination.

CARPET, PLASTIC, CLOTH ETC IS NOT SUFFICIENT TO STOP GROUND CONTAMINATION SHOULD A SPILLAGE OCCUR

30.4. ENVIRONMENTAL PENALTIES:

- 30.4.1. Failure to use or have available for use of an Environmental Mat, first offence - warning.
- 30.4.2. Failure to use Environmental Mat second and subsequent offences - \$100.00 each offence.
- 30.4.3. Deliberate disposal of fuels or oils into the environment - \$500.00 and/or exclusion.
- 30.4.4. As per the 2025 MoMS, goggle 'tear offs' are banned.

Due to environmental concerns, it is recommended for Enduro format only that fuel containers do not exceed 10 litres and are fitted with a suitable pouring spout. (As per GCRs).

31. TRANSPONDER TIMING

Electronic timing (MyLaps MX and Race Results) might be used throughout the Championship.

If you have your own Transponder, then it must be a MyLaps MX transponder.

<https://speedhiveshop.mylaps.com/tr2-mx-transponder.html>

If you hire a transponder the hire fee and is included in the entry fee.

If you do not own a transponder mount/bracket, then you can purchase one at sign-on for \$15 (Cash only).

It is the riders responsibility to make sure it is fully charged, operational and fitted, for each event. Failure to do so may result in no time being recorded.

For security of the hire transponder, MA may suspend your licence at the conclusion of the meeting until the transponder or replacement costs have been received.

When hiring a transponder, it becomes the hirer's responsibility. Any damage or loss of the unit will be paid by the hirer.

If you don't return your transponder, you will be charged a late fee for the return of transponder of \$15.00 per day to the method of payment used for race entry.

If you don't return the transponder within four (4) days, you may be charged the cost of the transponder of \$725.00 to the method of payment used for race entry.

Please note the transponder number when entering each round.

32. PIT AREA SETUP

When setting up your fuel control area, please consider others by only using the space that you need: do not block roads/bike ways and do not pit in areas that are marked off with tape, spray paint and/or 'No Pitting' Signs.

If you are not sure where to set up your paddock/pit area please see a designated club official because if you pit in an area that is reserved or is an allocated lane way etc, you will be moved on.

Venue access times will be stated in the Final Instructions.

There will be areas reserved for factory teams, sponsors teams, and officials. These areas will be in prime positions to maximise exposure for the sponsors and teams as a part of their sponsorship package and for our officials/workers who need to be close to the track as they are volunteering their time by working throughout the weekend.

All other areas in the fuel control area will be for all other competitors and teams to pit in.

All teams will be required to park in the position allocated to them by officials.

No private vehicles are permitted in the teams pit area, only transporters, race vans, or race trailers. Please park your private, hire or support vehicles in the car park area.

33.MEDIA

Media and PR for the 2025 Championship will be provided by MA's Event Media Representative.

We ask all riders to make themselves available for any interviews and photos opportunities organised, as well as at the conclusion of racing each day.

Riders need to be on time for TV, radio, and website interviews etc. Please be respectful and professional as this exposure may help in your sponsorship deals.

Riders may be asked to mount a GoPro camera on their machine and/or body if requested by the MA Media Representative for recording of footage whilst on course.

Team riders should be dressed in team clothes and for all other riders please be neatly dressed.

Riders who finish on the podium at each round must attend the presentation and any necessary interviews or media conferences.

If the riders don't attend presentation or are deemed to be not acting in a professional manner, you could be fined and reported to your sponsor/team.

Remember that you are not only representing yourself, but your team and the sport.

34.ELECTRONIC COMMUNICATIONS AND SOCIAL MEDIA

All competitors, officials and parents are reminded of MA's Electronic Communications and Social Media Policy, found at www.ma.org.au, which sets out a framework for acceptable online behaviour where communications involve fellow MA members, volunteers, officials, coaches, sponsors, partners, parents/guardians, staff and any other connected persons.

37. RACE FORMATS

Round 1	Cross-Country	Round 2	Sprint
Round 3	Cross-Country	Round 4	Sprint
Round 5	Cross-Country	Round 6	Sprint
Round 7	TBC	Round 8	TBC
Round 9	Sprint	Round 10	Sprint
Round 11	TBC	Round 12	TBC

*Please Note: The Clerk of Course may change the format of the Cross Country rounds to the Sprint Format should the conditions be deemed unsuitable for Cross Country. Competitors will be notified prior to the event via the series website and Team App.

37.1.1. SPRINT FORMAT - as per GCRs

The Sprint Format is run on the format of an Enduro Special Test. Riders complete as many heats of the course as indicated by the Clerk of Course.

Times will be cumulative; the rider with the least accumulated elapsed time for each class will be the winner and so on.

Where one sprint race is timed over two or more tracks - Riders will start on track 1 and complete the first timed loop. They will then travel via an untimed transport section to track 2 where they will commence the next timed loop after an interval time of, 15 sec/30 sec/45sec as determined by the CofC. Riders may enter the pits between each timed track without penalty however they will lose track position and must position themselves behind any rider that passed them while in the pits prior to starting on Track 2. Once all riders have completed Track 1, a time limit as determined by the CofC will trigger the closing time of the start of Track 2. Any rider who has not started on track 2 prior to this time will be deemed a non-finisher. A rider must complete both track 1 and track 2 to constitute a completed heat/race. The same principle will apply for any additional tracks

Start for Special Tests: Start of the Special Test will be by light start or analogue clock.

The start marshal may start the time of any rider who does not start within allotted time.

To be considered a finisher a competitor must complete 2/3rds of the heats and will receive a time penalty for each uncompleted heat.

A rider who does not complete a heat will be awarded the slowest heat time in their class plus 50%.

Change of machine may be permitted if submitted to the Clerk of Course for approval.

Replacement machine must have passed scrutineering by the scheduled time and must be of a capacity suited to the class entered.

37.1.2. CROSS COUNTRY FORMAT - as per GCRs

Cross Country format is run on a natural terrain marked track of an average of 15 - 20 minutes in length with competitors doing as many laps as time allows.

A chequered flag will be presented to the lead rider as close to the allocated time possible as measured by the Clerk of Course.

Duration of Cross-Country events will be advised in Final Instructions and may vary as daylight hours and local bylaws may restrict time available.

Refuelling: Dry break type fuelling system can be used.

Time schedules will be advised on the series website.

Starting procedures will be a dead engine start.

Riders, service crews, and machines are not permitted on the starting line until authorised by the start official.

The start grid will have a maximum of 40 riders. Starts will be only one row/grid at a time with a minimum of one minute between rows/grids starting.

According to 10.13.6.7 of the MOMs To be considered a finisher a competitor MUST cross the finish line with the chequered flag displayed and must have completed at least 50% of the laps of the winning rider in their class. Riders with less than 50% of the laps of the winner in their class will be considered a DNF.

The competitor's machine must not have left the marked course, including the refuelling area during the race.

One Rider - One Bike. A change of machine is not permitted after the race has started.

Designated refuelling area will be available and all refuelling and assisted mechanical work will be carried out in this area.

Riders must dismount and engines must be stopped for refuelling - penalty will be a time penalty up to exclusion from the event.

Mechanical assistance and fuelling is permitted only in areas designated by the promoter unless directed by the Clerk of Course - Penalty will be exclusion. (excluding juniors)

Sighting Lap: refer to final instructions.

Juniors may be escorted on one sighting lap prior to their race.

Please Note: At any time, the Clerk of Course may alter the format of the Cross Country Rounds to the Sprint Format should the conditions be deemed unsuitable for Cross Country.

In most circumstances, competitors will be informed of changes prior to the event via the series website.
